Easily update your organizational charts

**Modify** titles, add names, adjust reporting levels, and more.

How it works:
- Log in with your free, Premium, or VIP access.
- Make your modifications directly in the org chart.
- Our moderator will verify and display your changes for other users.
- Rest assured that all contributors remain anonymous.

Please never hesitate to contact us at contact@theofficialboard.com to make your modifications or report any missing information.
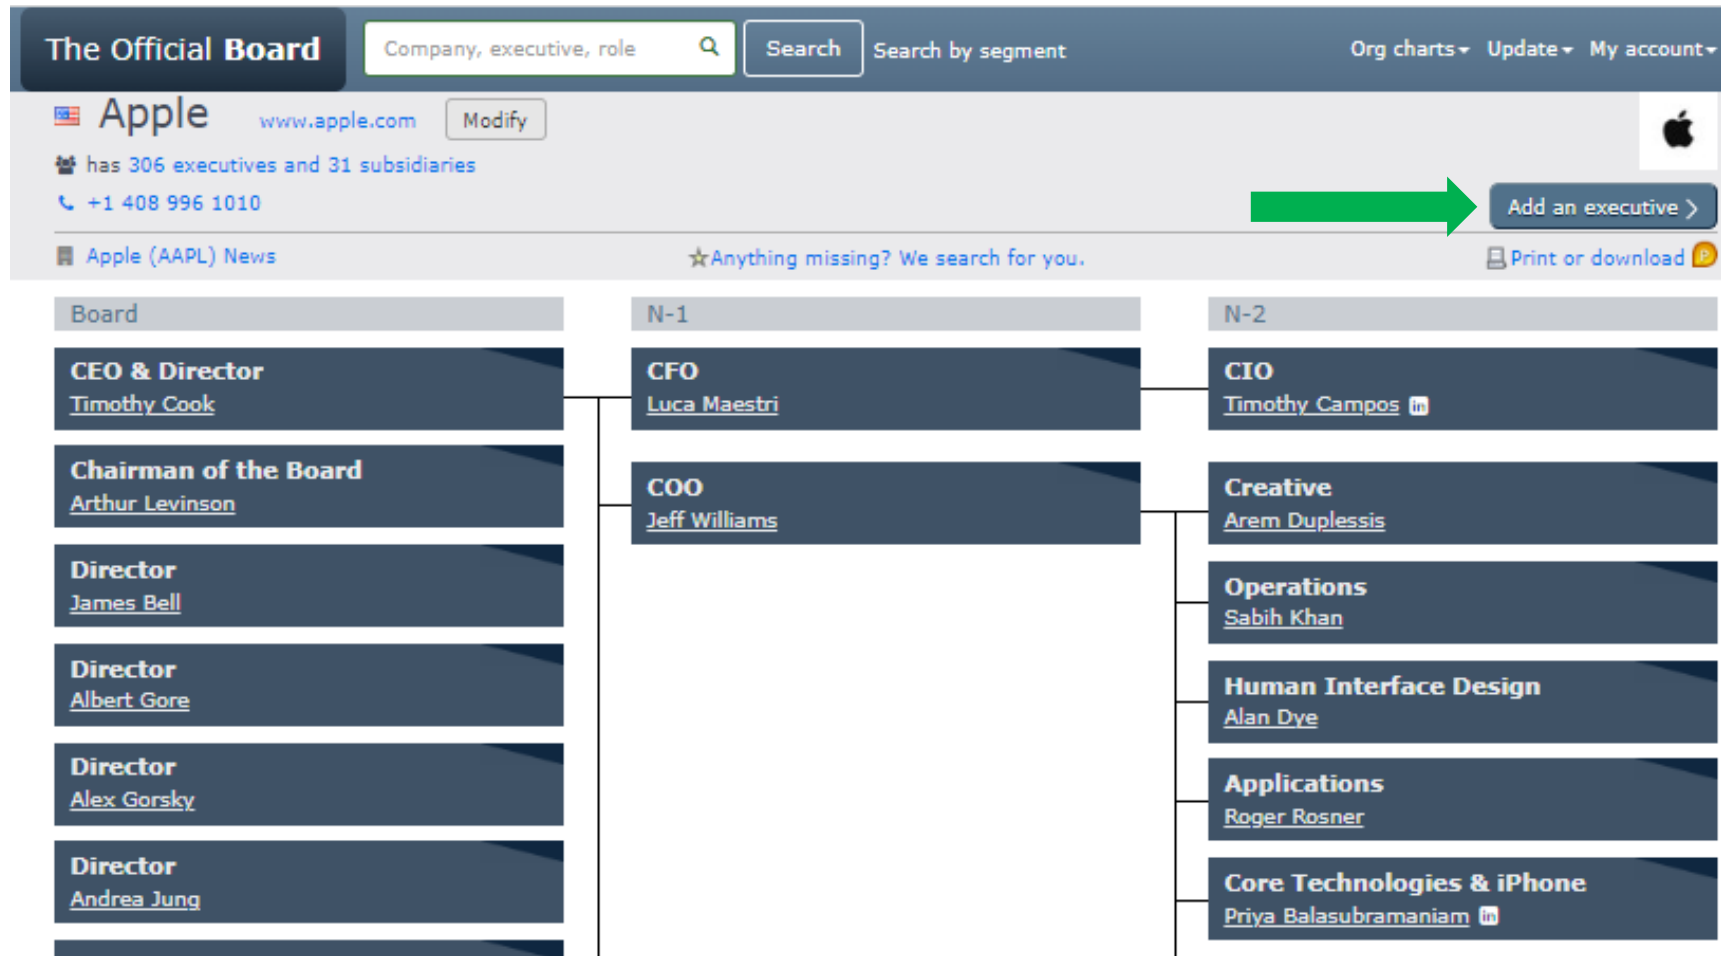

To modify an existing business title:
- Click on the name (red) in the org chart.
- Then edit the business title and save.

2

To add a missing name:
- Click on the button (green) in the org chart,
- Then enter the info and save.
- The executive will appear by default in the N-2 column.

To change the reporting level:
- Use the dark triangle (yellow) to catch the executive box,
- Drag it and drop it as N-1, Board or CEO (green).

To create or modify a reporting line for a N-2,
• Use the dark triangle (yellow) to catch the executive box,
• Drag it vertically and drop it next to the N-1 boss box (green).
